Importance: High

I requested those talking points and am coordinating the ACC webinar. Please ensure that I see the responses and have time to edit prior to submission to Alex's binder.

In addition, there are some other potential topic areas which just came in this morning:

Subject: Request from OCSPP: Talking Points on New Chemicals

CCD New Chemicals Team –

Alex has agreed to do a webinar with ACC later this week – where Chris Jahn of ACC will be asking Alex a set of questions (which we are receiving on a rolling basis at this juncture).

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP) OPPT IO would appreciate your help with developing Alex's talking points/responses to those.

These are due to OCSPP IO tomorrow morning, so would appreciate your input by 4pm this evening so that OPPT IO staff can collate with all of the other questions we're receiving and get a consolidated draft up for OPPT IO management review this evening.

Thank you!

Alison
